Geneva/ Zurich, 27 May 2022. **REYL Intesa Sanpaolo is proud to have received awards for “Outstanding Boutique Private Bank in Switzerland” and “Outstanding Philanthropy Proposition in Switzerland” during the Private Banker International ceremony held on 25 May in Zurich.**

The Private Banking Switzerland Awards honour large-scale achievements and leaders in the Swiss private banking and wealth management market. After a thorough selection process, the jury – comprised of investment professionals and specialised journalists – cited high value-added initiatives developed by REYL intended to offer its clients innovative and high-performance solutions.

The quest for innovation that typifies REYL Intesa Sanpaolo is also reflected in its philanthropic commitments. This is demonstrated by the creation of Research for Life, a Swiss charitable foundation dedicated to oncology research, support for the International Union for Conservation of Nature (IUCN) and for Swiss Paralympic, which assists exceptional athletes. Against a backdrop of solid growth, the Group continues to stand out from its competitors by offering personalised solutions, with 360-degree management for the holdings of private and corporate clients abroad and diversified business sectors.

Chief Executive Officer François Reyl commented: *“Our focus on personalised client service drives the success of our business model. Our consistent growth is due to the cohesiveness of our teams, our entrepreneurial spirit and our professional and social long-term commitment. We plan to pursue this strategy in the coming years in order to continue to meet the needs of entrepreneurs, family offices and institutional investors by drawing on the expertise of our Wealth Management, Entrepreneur & Family Office Services, Corporate Finance, Asset Services and Asset Management business lines.”*
