

REYL & Cie named “Best European Private Bank – Client Service”

Geneva/London, 12 April 2019. **REYL & Cie is proud to have been awarded the accolade of “Best European Private Bank – Client Service” in the WealthBriefing European Awards 2019 ceremony, held in London last night.**

The WealthBriefing awards are dedicated to celebrating excellence and rewarding achievement in the private banking and wealth management market across Europe.

The award, which was selected by an independent judging panel of trusted advisors from across the sector, sets REYL apart from its peers and recognises a continued strong period of growth for the Group. The period under review also saw the announcement of its acquisition of Öhman Bank S.A. Luxembourg in September 2018, still subject to regulatory approvals, which should enable REYL to broaden its presence in Luxembourg and the wider European Union region. REYL already has a network across the continent including offices in Geneva, Zurich, Lugano, London, Luxembourg and Malta.

Key to winning the award was REYL’s truly collaborative approach between business units and offices. REYL continues to differentiate itself from its competitors by delivering 360-degree management of clients’ personal and corporate wealth across borders and activity segments.

François Reyl, Chief Executive Officer, said: “Our constant focus on innovation and client service is an essential driver of our business model and explains our dedicated approach to serving entrepreneurs, family offices and institutional investors. We plan to maintain this focus in the coming years by innovating and improving our capabilities and services through the implementation of an ambitious digital strategy in the area of *Wealth Management* while building on the successes of our fast-growing *Entrepreneur & Family Office Services, Corporate Advisory & Structuring, Asset Services* and unlisted *Asset Management* business lines.”
