

REYL Overseas receives Solutions for International Americans accolade at Family Wealth Report Awards

Zurich, 10 May 2021. **REYL Overseas is proud to have won the Solutions for International Americans award at the Eighth Annual Family Wealth Report Awards.**

The Family Wealth Report Awards are dedicated to showcasing top class performance and innovation, and are judged by a panel of respected industry professionals.

This award sets REYL Overseas apart from its peers and recognises both its continued achievements and innovation within the company. Key to winning this award was REYL Overseas' tailored approach, providing superior quality services founded on trust, transparency and open communication, which help to open up paths to explore investment diversification internationally and drove strong growth in the business.

The judges also awarded the prestigious award based on REYL's response to the coronavirus pandemic, placing the health and well-being of staff as a top priority, providing employees with up-to-date information and full home working facilities.

René Marty, Chief Executive Officer REYL Overseas, said: *"Our entrepreneurial mindset enables REYL Overseas to continuously deliver highly-personalised services to a diverse client base. We are proud to take an innovative and transparent approach, and this is key to our close partnerships with clients. This award is testament to our commitment to offering a range of wealth management services tailored to the needs of US investors."*
