Geneva/Singapore, 14 October 2022. **REYL Intesa Sanpaolo is proud of the “Leading Chief Executive Officer” award given to Antoine Denaiffe, its Singapore subsidiary CEO, for his leadership skills in wealth management & asset management, at the 2022 inaugural WealthBriefingAsia External Asset Management Awards 2022.**

Led by a prestigious panel of independent judges and showcasing “best of breed” in the Asia region, the *WealthBriefingAsia* EAM awards have been designed to recognise outstanding organisations and C-level executives deemed to have “*demonstrated innovation and excellence during the last year*”.

The period examined saw the acquisition by REYL Intesa Sanpaolo of a 40% interest in 1875 Finance, a multi-family office and external asset manager, enabling both entities to play an active role in the accelerating consolidation of the External Asset Management sector globally. REYL further strengthened its offering by launching several initiatives including Asteria Investment Managers, its impact investing affiliate, as well as Alpian, a fully digital private bank targeting the mass-affluent segment. In March 2022, it also appointed Jon Duncan as Chief Impact Officer, to lead impact activities and align REYL's activities with the global transition to a low carbon, resource-efficient and socially inclusive growth path. REYL Intesa Sanpaolo continues to differentiate itself from its competitors with its 360-degree approach to the management of clients' personal and corporate wealth across borders and activity segments.

REYL Intesa Sanpaolo Singapore is an independent subsidiary of REYL & Cie, Geneva. Its launch in 2009 materialised the strategic decision of the REYL Group to expand its operations in Asia, where growth and wealth generation represent a natural axis of development for the Group. REYL Intesa Sanpaolo Singapore provides wealth management and fund management services meeting the expectations of the most demanding Asian and international clients.

According to the judging panel, key to winning the award was Antoine Denaiffe's proven abilities to successfully infuse energy, passion and social connection into his actions and behaviours to create positive change, making him an inspirational leader.

Antoine Denaiffe, REYL Intesa Sanpaolo Singapore CEO, said: *“I am incredibly humbled and honoured by this award that comes as a recognition of our team's “can do” attitude and commitment. Naturally, this award especially goes to our clients and industry partners for the deep bond that connects us. We consider ourselves privileged to have such trusting, close clients and business partners. This award consolidates the bank's leading position in the wealth management and asset management industry in Asia.”*
