

REYL Intesa Sanpaolo receives two Private Banker International awards, including “Outstanding Boutique Private Bank in Switzerland”

Geneva, 16 December 2022. **REYL Intesa Sanpaolo is proud to have been voted “Outstanding Boutique Private Bank in Switzerland” and “Outstanding Family Office Proposition in Switzerland” during *Private Banker International’s* awards ceremony held on 15 December in Zurich.**

The Private Banking & Wealth Management Switzerland Awards, hosted by Private Banker International, honour large-scale achievements and recognise leaders in the Swiss private banking and wealth management industries. After a thorough selection process, the judging panel – comprised of investment professionals and specialised journalists – cited the high value-added initiatives developed by REYL Intesa Sanpaolo in its endeavour to offer its clients innovative and high-performance solutions. These additional awards follow the recent announcement that REYL Finance (MEA), located in Dubai, was awarded “Best Overall Fund Manager - Regional/Global Reach” by WealthBriefing MENA.

The collaborative and integrated approach adopted by REYL Intesa Sanpaolo's business lines, teams and offices was the factor that distinguished it from its peers. In a context of solid growth, the Group continues to stand out for its personalised solutions, based on managing the assets and challenges of private clients and their companies, via a comprehensive range of services spanning borders and business segments.

Chief Executive Officer François Reyl commented: *“Our emphasis on innovation and customer service is what feeds the success of our business model. Our consistent growth is owed to the cohesiveness of our teams, our entrepreneurial spirit and our long-term commitment to meeting our clients’ objectives. We plan to pursue this strategy in the years to come and continue meeting the needs of entrepreneurs, family offices and institutional investors by relying on the expertise of our Wealth Management, Entrepreneur & Family Office Services, Corporate Finance, Asset Services and Asset Management business lines.”*
