

REYL Intesa Sanpaolo appoints Frédéric Le Hellard as Chief Operating Officer and Tatiana Carruzzo as Head of Asset Services

Geneva, 6 February 2023. **REYL Intesa Sanpaolo appoints Frédéric Le Hellard, currently Head of IT, as Chief Operating Officer to head its new, reinforced IT & Operations department. Tatiana Carruzzo also becomes Head of Asset Services.**

To enhance the governance of its operational activities and build a platform capable of supporting its continued development, REYL Intesa Sanpaolo has appointed Frédéric Le Hellard, currently Head of IT in Geneva, as Chief Operating Officer at the head of a new, reinforced IT & Operations department. Since his arrival in 2019, Frédéric Le Hellard has overseen the digital transformation and improvement of the Bank's IT processes during a period of strong growth, as well as challenges and opportunities resulting from the merger with Fideuram - Intesa Sanpaolo Private Banking and the absorption of its banking subsidiary ISPBM Morval Suisse.

The Bank has also appointed Tatiana Carruzzo as Head of Asset Services, focused on delivering excellence in custody, administration, legal representation and paying agent services for institutional investment fund clients. Tatiana Carruzzo joined REYL Intesa Sanpaolo's Asset Services business line as Operations Manager in 2016. She has contributed to the development of the business line, which is very active in supporting the Bank's growth and is fully integrated into its comprehensive range of services.

These two appointments reinforce REYL Intesa Sanpaolo's objective of promoting a range of high-end cross-functional services and high value-added solutions to its clientele of entrepreneurs, institutional investors and international family offices through its five business lines: *Wealth Management, Entrepreneur & Family Office Services, Corporate Finance, Asset Services and Asset Management.*

Chief Executive Officer François Reyl comments: *"We are counting on the leadership qualities of Frédéric Le Hellard and Tatiana Carruzzo to promote our strategy, built around service and innovation, to ensure the long-term development of REYL Intesa Sanpaolo. We are particularly counting on the talent and experience of Frédéric Le Hellard in order to consolidate our recent successes in the field of digital transformation and on the entrepreneurial qualities of Tatiana Carruzzo to increase our market share in respect of services to institutional investment funds."*

About REYL Intesa Sanpaolo

www.reyl.com

Founded in 1973, REYL & Cie is a diversified banking group with offices in Switzerland (Geneva, Zurich, Lugano), Europe (London, Luxembourg, Malta) and the rest of the world (Singapore, Dubai). It manages assets in excess of CHF 26 billion (CHF 38.7 billion including minority interests) and employs around 400 professionals. In 2021, it entered into a strategic partnership with Fideuram - Intesa Sanpaolo Private Banking, a leading European banking player, pursuant to which Fideuram ISP acquired a 69% stake in REYL & Cie.

Developing an innovative approach to banking, REYL & Cie serves a clientele of international entrepreneurs and institutional investors through its *Wealth Management, Entrepreneur &*

Press release

Family Office Services, Corporate Finance, Asset Services and Asset Management business lines. It has further diversified its activities in the areas of impact investing, through the launch of pure-play impact asset management firm Asteria Investment Managers & Obviam, and of digital banking for mass affluent clients via the incubation of Alpian, an app-based aspiring Swiss bank. In December 2021, REYL & Cie acquired a 40% stake in 1875 Finance, a Geneva-based multi-family office and independent asset manager with over CHF 13 billion of assets under management for private clients.

REYL & Cie Ltd is licensed as a bank in Switzerland and performs its activities under the direct control of the Swiss Financial Market regulator (FINMA). Its subsidiaries are also regulated by the FCA in the UK, the MFSA in Malta, the MAS in Singapore, the DFSA in Dubai and the SEC in the United States.

REYL also oversaw the incubation and remains a shareholder of Alpian, Switzerland's leading digital wealth management bank, which obtained a banking license in 2022.
