

REYL Intesa Sanpaolo receives two Private Banker International awards, including “Outstanding Private Bank for Philanthropy Proposition”

London, 15 June 2023. REYL Intesa Sanpaolo is proud to have been voted, “Outstanding Private Bank Western European Region” and “Outstanding Private Bank for Philanthropy Proposition” during Private Banker International’s awards ceremony held on the 14th June in London.

The *Private Banking & Wealth Management London Awards*, hosted by *Private Banker International*, honour large-scale achievements and recognise leaders in the Western European private banking and wealth management industries. After a thorough selection process, the judging panel – comprised of investment professionals and specialised journalists – cited the high value-added client and philanthropic initiatives developed by REYL Intesa Sanpaolo in its endeavour to promote innovation and high-performance in all business areas.

The collaborative and integrated approach adopted by REYL Intesa Sanpaolo’s business lines, teams and offices was the factor that distinguished it from its peers. In the context of solid growth, the Group continues to stand out for its personalised solutions, which are based on managing the assets and challenges of entrepreneurs, family offices and institutional investors, via a comprehensive range of services spanning borders and business segments.

Promoting values of generosity and care, REYL Intesa Sanpaolo’s philanthropy proposition is structured around three main themes:

- Arts and culture; REYL is one of the sponsors of the Verbier Festival, an international classical music event that takes place in the summer.
- Care, including support for the International Union for the Conservation of Nature (IUCN), the largest international environmental non-governmental organisation, and to MSFeCare, an innovative initiative run by Médecins Sans Frontières (MSF - Doctors Without Borders) Suisse.
- Sports and adventure, through the partnership with Swiss Paralympic and two of its athletes, Sofia Gonzalez and Robin Cuche.

Chief Executive Officer François Reyl commented: *“Our emphasis on innovation and client service is what feeds the success of our business model. We reflect our innovative and creative approach to our core business in our philanthropic efforts, supporting causes where we believe we can make a tangible difference. Our consistent growth is owed to the cohesiveness of our teams, our entrepreneurial spirit, and our long-term commitment to meeting our clients’ objectives. We plan to pursue this strategy in the years to come by relying on the expertise of our Wealth Management, Entrepreneur & Family Office Services, Corporate Finance, Asset Services and Asset Management business lines.”*
